### Green Steps

**Leave No Trace** practices are incorporated into each of our trips ensuring that we pack out everything we pack in and that we reduce our overall impact on the environment.

**Carbon Tanzania** helped Summits Africa become the first company in East Africa to carbon offset all climbs.

### TRAINING TO STAY ON TOP!

Summits Africa runs bi-annual training every year.

This November we are running:

1. Community-based first aid classes 8 days x 2 – target 50 people
2. Lead guide refresher course 4 days: target 10 guides
3. Guides “Constant Monitoring” refresher course 5 hours: 30 people
4. English course 12 days: target 30 people
